1. Click on the links to view various types of cereal box designs.

2. Design your own cereal box.

- Open Microsoft Publisher and open a blank publication.
- Have students either create a name for their own cereal or copy the title of a cereal from the Kelloggs web page. To copy the cereal title, put cursor on image, right click, choose copy image, then go to the Publisher doc and paste it there.
- Students may now add Word Art, AutoShapes, or Clipart to decorate their cereal box.
- Save to H drive (and Print if time)
