

Teacher Directions:

Lesson: Students will learn and locate various keys on the keyboard by coloring each a different color.

1. Teacher go to: <http://www.screencast.com/users/jaimejoyh/folders/Default/media/d1f2cfb5-a955-4d25-8bb8-3e5bf7d657c8>
Use this site to display the keyboard on the big screen and use it to point out various keys as described in the lesson.

2. Have students choose a color to color each key on the keyboard. Example: “Let’s color the space bar red. Now let’s color the enter key blue.”

 the Alpha-numeric Keys

 the Numeric Keypad

 the Enter Key

 Num Lock

 the Space Bar

 the Escape Key

 the Backspace Key

 the Tab Key

 Caps Lock

 Arrow Keys

 the Shift Key

 Ctrl Alt and Delete

Find the Keys
