Teacher Directions:

Lesson: Students will learn and locate various keys on the keyboard by coloring each a different color.

1. Teacher go to: http://www.screencast.com/users/jaimejoyh/folders/Default/media/d1f2cfb5-a955-4d25-8bb8-3e5bf7d657c8
Use this site to display the keyboard on the big screen and use it to point out various keys as described in the lesson.

2. Have students choose a color to color each key on the keyboard. Example: “Let’s color the space bar red. Now let’s color the enter key blue.”
Find the Keys

Name: ______________________________

the Alpha-numeric Keys
the Numeric Keypad
the Space Bar
the Enter Key
the Backspace Key
the Tab Key
Arrow Keys
the Shift Key
Ctrl Alt and Delete
