

Grade 3

Students will learn what a simile is. They will copy and past a photo of an animal into Word. They will type a simile to go with the picture.

1. Give some examples of similes and tell students that a simile uses “like” or “as” to compare something.

- The strawberry was as sweet as candy.
- The snow was like powdered sugar.

2. Have students obtain an animal photo by going to :

<http://www.pics4learning.com/?view=sub&cat=Animals>

They will need to click on the animal image they want, right click, choose Copy, then go to Word, and select Edit Paste.

3. Students will then write a simile under the photo.

4. Save to H drive. If time print.

Ex:

The zebra was like a striped candy cane.
